

The Learning Lodge

Letter from the Director

The month of April our school will be taking a look at Living Things (animals, sea life, reptiles and fish, insects, life cycles and habitats). Parent-Teacher conferences will be held the week of April 18th for our graduating pre-k students. Other classrooms will be finishing up assessments and they will be sent home to you mid-May.

Registration is complete and we thank all of you for being timely with returning your forms. If there is a reason we would be *unable* to accommodate the schedule that you requested, we will contact you directly, otherwise you can assume it is approved. Please remember that we will be billing the registration and summer activity fees on the **May** tuition statement.

Warmer weather is coming soon! Don't forget to turn in your sunscreen authorization and walking forms. There are additional forms at the front desk, if you need one. Also be sure to change out your child's extra clothes in their cubbies for spring weather. ☺

Family's planning on taking vacations this summer need to fill out a vacation form and get it approved at the front desk. One vacation week is allowed per child for the calendar year. Your child(ren) must be enrolled 12 months prior for this benefit to be used. Family's that leave for the summer are not eligible. The vacation week must consist of 5 consecutive days and your child(ren) may not attend school during this time period. Please see Amanda or Holly if you have any questions.

Thank you again for choosing us as your preschool and child care provider. The feedback forms we have received really helped us see the areas of our school that are doing well and any that could use improvement. Don't forget to sign up for the Remind App. We hope this will help keep all families informed of the events going on at The Learning Lodge.

Sincerest thanks!

Holly

SAVE THE DATE!

PreK Graduation on May 20th

Dates to Remember

April 7th-Cardinal Day
April 8th-Bike Day (weather permitting)

April 18-22nd- Parent Teacher Conferences for graduating Pre-k students
