

The Learning Lodge

Letter from the Director

In the month of February, our themes focus on Groundhog's Day, Valentine's Day, Presidents, and Dental health. Check with your child's teacher regarding Valentine's Day parties on February 14th☺!

Looking ahead, mid-year assessments will be going out mid-February for classrooms two's and up.

Fall re-registration for 2023-2024 school will be sent out in the next couple of weeks. We would like to send this information to you via email. Please make sure to confirm your email with Ms. Amanda through the REMIND app. Please return hard copies to your classroom teacher or you may email it back to amcbride@thelearninglodge.net. The reason we ask if you are continuing your care at the Learning Lodge, is so that we can plan ahead on staffing, materials and new student enrollment. Please help us keep our files up to date by sending in updated immunization records as your child receives them. We'd like your packet turned in by March 3rd.

*Reminder: There is an annual re-registration fee of \$75.00. This fee will be on your April tuition statement.

Best,
Holly

REMINDER!!

We are closed on Friday March 3rd for Professional Development of our teaching staff. It is important for us to provide this training and enrichment for two reasons: first, it helps us complete the 12 hours we are required to have each year by the State of Missouri and secondly, we care about building positive and healthy relationships between our teachers. The education and support of our teaching staff directly relates to the quality of care we provide our students. Thank you for being supportive of this important day on our calendar!

Happy Birthday!
